

Coaching For Success

A Two Day Leadership Workshop

Target Audience

Managers of people in organisations that want to adopt a coaching culture in their business

Objectives

By the end of this two day programme delegates will be able to:

- Explain and understand their role as a coach
- Coach their team to get optimal results
- Provide positive and corrective feedback
- Provide specific direction to their team
- Delegate tasks effectively

Outcomes

- Team stability and employee engagement through effective leadership
- Increased productivity through effective direction
- Increased productivity and motivation through effective delegation of tasks
- Learning from each others' experiences
- Sharing of best practices
- Working as a team and having fun

The style of the day will be experiential, challenging, participative, trainer lead, team based and fun.
